

PROVIDER ALERT

STALE DATED CHECKS

August 3, 2017

Beacon is making providers aware of 42 CFR 433.40(c) "If a check remains uncashed beyond a period of 180 days from the date it was issued; i.e. the date of the check, it will no longer be regarded as an allowable program expenditure."

As such, Beacon will void checks over 180 days. If a provider locates a check that exceeds the 180-days you may contact Beacon's Finance Department to make arrangements for a valid check. You may email: arnissa.snead@beaconhealthoptions.com.
